HungaroTrial is a market leader CRO in Central and Eastern Europe and specializes in connecting small-, mid-size pharma, biotech and device companies with the fast recruitment potential and cost-competitive landscape of conducting clinical trials in this region.

We provide Phase I to Phase IV clinical trial services in Hungary, Czech Republic, Slovakia, Romania, Serbia, Croatia, Bulgaria, Bosnia, Poland, Belgium, Ukraine and Russia.

HungaroTrial's full-time staff includes 12 MDs of various specialties, more than any other independent CRO in the region. Our Clients can be assured that our experienced team has built strong relationships with the most respected Key Opinion Leaders in the CEE.

During our 17 years of experience and throughout over 250 successfully conducted clinical trials, we have gained the skills and expertise necessarily to successfully execute and add value to our Client's clinical trials.
